November 2011 NEWSLETTER

MESSAGE FROM THE COMMITTEE

Welcome to this month's Newsletter

Swimming numbers are steadily increasing with the warmer weather which is very pleasing from the committee's point of view. The club membership is growing weekly.

The Dive and Try meet on Sunday 13th of November was a great success with lots of personal bests (PBs) being swum. It also gave some of our junior swimmers times that they can use in Swimming WA events in the future.

The committee is still working hard to resolve some ongoing issues within the club but is hopeful that these will be resolved very soon and we can move forward and with you help build a stronger club at Terry Tyzack Aquatic Centre.

The committee is also working hard to produce a new Club Handbook which should be out soon. Watch this space!

COMMITTEE MEMBERS

With the loss of some committee members earlier this year the club has some vacancies on the committee that need to be filled.

If you have a few hours a month that you can spare then we would like to hear from you. The current committee is made up of a variety of people with varying experiences in swimming but are united in making the club inclusive of all swimmers and their families.

Please let us know if you are able to assist and we promise not to throw you in too deep.

We are also looking to fill some non – committee positions. So if any parents could help out with one of these please contact the club. These positions include the Uniform officer, Fund Raising Officer and Newsletter

SUMMER TIME TRIALS

Here are the confirmed time trial dates for the beginning of the summer season.

Time trial registrations start at 3pm. Warm ups at 3.30pm for a 4pm start.

Don't forget that we will also be having a sausage sizzle after the trials. This is always a good opportunity for families to get to know each other and other members and parents.

Week 3 – 20th of November 2011

Events – 50m Breaststroke
 100m Butterfly
 100m Backstroke
 50m Freestyle

Week 4 – 4th of December

This meet will be a friendly interclub meet with Balga Lasers Swim Club. The events will be advised in a future edition of the club's newsletter. There will also be a sausage sizzle on the day and we will be holding a raffle. Let's make this day as successful as we can with maximum attendance.

COACH'S CORNER

- Sandy Doran

Hi Guys,

It has been a great couple of months at training. We have seen many new faces at training and hope to see even more over the summer. Most recently we had the Dive and Try meet. This was a great way to get a new bunch of young guns in the water and having fun.

It was also a god opportunity to see some of the younger swimmers get in and swim some PB's. Everyone swam exceptionally well, with everyone's starts looking great and many new kids taking to the water like...well, a fish in water.

Time trials have been great with both young and older swimmers showing their faces and heaps of PB's being swum all round. GOOD JOB EVERYONE!

Just a reminder to everyone, can you please try and get to training 10 minutes early so we can be in the water on time.

Sandy, Jacqui and Jacob

OVEN FOR SALE

The club is in possession of a Westinghouse electric upright oven and is offering this for sale to the highest bidder. If you or someone you know is interested in purchasing this item it is available at the club room for inspection. You can email your interest in this item to the clubs email address - rsc@rsc.org.au

As an extra incentive we will even throw in a small second hand fridge that would be ideal for a bar fridge. Just in time for summer!!!
