

Consent for use of photography

Riverside Swimming Club or its members may take photographs or videos of other members (including you and your children) during swimming meets and club functions. Some of these images may be used in the club newsletter (internally), flyers / brochures (externally) or club website (externally) in a promotional or personal recognition capacity.

Consent is sought for using the photographs / videos subject to the following conditions:

- Children under 18 require their parents consent for any recording or publishing.
- Consent may be given or withdrawn, in writing, at any time by either parent.
- Where one parent consents and then other does not consent (in writing), the consent will considered to be withdrawn.
- Members under 18 will be identified by first name only, with no other identifying details published.
- Withdrawal of consent applies to current and future website / publications. Previously published material may not be able to be withdrawn.
